

Intern ERP Consultant

(m/f/d) | Munich, Germany

You want to find out whether a career in ERP consulting is right for you? much. Consulting is just the place to do that! We are a fast-growing consultancy with offices in Germany and Portugal. We offer you a hands-on internship that allows you to quickly advance your skills and build in-depth expertise of enterprise software across various companies and industries.

Join our multicultural team and gain valuable experience learning from top experts in ERP consulting!

Our offer

- **Exciting & challenging tasks:** you are too clever to be on PowerPoint duty 5 days a week - with us, you carry responsibility from day one
- **Professional mentoring throughout your entire internship:** after you underwent a carefully structured four-week onboarding plan, you will be working hand in hand with experienced ERP consultants
- **A long-term perspective:** if your internship is successful for both you and us, we invite you to remain a part of much. Consulting in the future
- **Real team spirit:** join a high-performing, international team that is passionate about its work and likes to have fun along the way
- **Above-average remuneration:** ranging between € 2,250 / month (gross)
- **Plenty additional benefits:** fitness center, state-of-the-art equipment, self-learning budget - we value our employees & do our best to show it

Your profile

- Studies in the field of computer science, business administration or business informatics give you the perfect background for the job
- You possess a very fast comprehension, an analytical way of working and a high level of commitment
- You enjoy demanding & challenging tasks
- You are an English & German speaking team player

Your tasks

- Support in the implementation of demanding projects
- Analysis and documentation of processes & IT architectures
- Preparation of feasibility, risk & ROI analyses
- Training of customers for the use of the system
- Further development of our internal ERP system
