

Junior IT Consultant

(m/f/d) | Munich, Germany | Hybrid work

You want to kickstart your career in IT consulting with interesting tasks, reasonable working hours, and an international team? Then much. Consulting is the perfect place for you!

We are a fast-growing international consultancy with a focus on business IT & ERP systems. You seek a professional and ambitious work environment but without the usual rigid structures & hierarchies? Look no further!

Become part of a team of creative problem-solvers!

Our offer

- **Exciting & challenging tasks:** no more boring tasks - this is our vision for our customers and our team alike
- **Steep learning curve:** a carefully structured eight-week onboarding plan will enable you to work independently on projects quickly
- **Competitive salary:** ranging between 45,000 - 57,000 € / year (gross excl. bonus)
- **Flexible working hours:** structure your work in a way that suits your life best
- **Real team spirit:** work with a high-performing, passionate team that likes to have a good time along the way
- **Plenty additional benefits:** annual bonus, self-learning budget, state-of-the-art equipment - our employees are our biggest asset & we do our best to show it

Your profile

- Bachelor's or Master's degree in computer science, business administration or business informatics
- High commitment, very fast comprehension & analytical way of working and thinking
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Independent realization of subprojects
- Analysis & design of business IT processes
- Creation of feasibility, risk & ROI analyses
- Preparation of workshops & pitch decks for our customers
- Analysis of IT architectures & derivation of strategies
