

Junior Odoo ERP Consultant

(m/f/d) | Munich, Germany | Hybrid work

You see your future career in ERP consulting and Odoo's potential as a growing player in the ERP market? Then much. Consulting is the right place for you!

As one of Europe's top Odoo gold partners we help companies of all sizes to improve their business & drive their growth. We are ambitious, international, and like to have fun at work! You want to work in top-notch consulting but without rigid structures & hierarchies? Great, that is exactly what we are about!

Our offer

- **Exciting & challenging tasks:** we believe in your potential & want you to fully realize it
- **Steep learning curve:** in order to be able to work independently quickly, you will be introduced to your tasks in a carefully structured eight-week onboarding plan
- **Competitive salary:** ranging between 45,000 - 57,000 € / year (gross excl. bonus)
- **Flexible working hours:** work-life-balance is important, period - structure your reasonable working hours in a way that suits your life best
- **Real team spirit:** join a high-performing, motivated team that gets the job done and has fun along the way
- **Plenty additional benefits:** annual bonus, self-learning budget, state-of-the-art equipment - we value you & do our best to show it

Your profile

- Bachelor's or Master's degree in computer science, business administration or business informatics
- Analytical way of working, very fast comprehension & high commitment
- Passion for solving challenging problems
- English & German speaking team player

Your tasks

- Independent ownership of Odoo subprojects
- Analysis & design of Odoo ERP processes
- Creation of feasibility, risk & ROI analyses
- Preparation of workshops & pitch decks for our customers
- Analysis of IT architectures & derivation of strategies
