

Senior IT Consultant

(m/f/d) | Munich, Germany | Hybrid/Remote Work

Lead challenging projects around the implementation and further development of business IT solutions. Receive a lot of personal responsibility from day one and take on a role that leads directly to partnership.

We are much. Consulting a fast-growing international consultancy with a focus on business IT & ERP systems. We are ambitious, team-oriented & passionate about our work. You want to work in a professional consulting team but without the usual inflexible structures & processes? Look no further!

Become a part of much. Consulting!

Our offer

- **Quick career advancement:** you will be set on a fast-track towards partnership
- **Real impact:** with us, nothing is set in stone - shape company processes, contribute your own ideas and lead us to success
- **Innovative, result-driven work culture:** look forward to short, flexible decision-making paths and lean, orderly processes
- **A motivated, high-performing team:** work with like-minded professionals with great expertise and passion for what they do
- **Flexible working hours:** we believe in true work-life balance and reasonable working hours - structure your work in a way that suits your life best
- **Hybrid/Remote work:** work from our Munich office or anywhere else in Germany
- **Many more benefits:** annual bonus, fitness centre, bike leasing, state-of-the-art equipment - our employees are our biggest assets & we aim to treat them as such

Your profile

- At least 3 years of experience as an IT consultant or ERP user
- Very fast comprehension skills, analytical way of working & high commitment
- Passion for challenging tasks
- English & German speaking team player

Your tasks

- Conduct and manage big IT projects independently
- Design processes for entire business units
- Steer the IT development
- Lead workshops & pitches for our customers
- Design business IT architectures
- Take on an expert role for HR, Operations Finance, Logistics or Production
